## World Music

The incredible rise to prominence of World Music began in 1986 when popular musicians such as Paul Simon and Peter Gabriel introduced African and Asian influences into their songs. Over the last ten years World Music has moved from being a niche market into the mainstream and the growing number of Global Journey titles reflect a broad spectrum of the best in the genre.

Café Paris

## Café Collection

Chill Out with your favourite coffee and as the taste and aroma seduce you, let the music take you on an exotic journey to the great cafe's of the world. There is an intangible ambience that envelopes Café Culture, it's sophisticated but not overbearing, it's relaxed but not lazy and it's very cool. Integral to the theme are great coffee, great companions, great music and no time limitations.

Café Cuba

Café Brasil

Café Chile

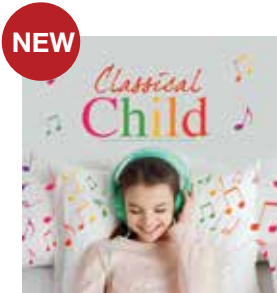

Café España

Café Italia

Guardian Angel

Classical Child (2CD)

## New-Age Music

The Global Journey new age titles focus on relaxation but with a more spiritual ambience than other Global Journey titles. Themes such as Angels, Native American spirituality, meditative influences and Astrology abound in a broad spectrum of New Age concepts that engage the listener whilst also providing a transcendental audioscape.
